COMPASS ROSE BAR

PROHIBITION ENDS AT LAST!!

Legal liquor was returned to the United States, with President Roosevelt calling on the people to see that "this return of individual freedom shall not be accompanied by the repugnant conditions that obtained prior to the adoption of the Eighteenth Amendment and those that have existed since its adoption."

Prohibition of alcoholic beverages as a national policy ended at 5:321/2 P.M., Eastern Standard Time, when Utah, the last of the thirty-six States furnished by vote of its convention the constitutional majority for ratification of the Twenty-first Amendment. The new amendment repealed the Eighteenth, and with the demise of the latter went the Volstead Act which for more than a decade held legal drinks in America to less than one-half of 1 percent of alcohol and the enforcement of which cost more than 150 lives and billions in money.

F. Scott Fitzgerald

GIN RICKY *$15*

Plymouth Gin, Lime Juice, Club Soda

The Gin Ricky is named after a Washington politician, Col. Joseph Rickey in the late 1800s. This cocktail was popular prior to prohibition and remained strong during prohibition. This was also the cocktail of choice of F. Scott Fitzgerald, author of the novel, *The Great Gatsby.*

MELON JULEP
$16.00

Bulleit Bourbon, Mint Leaves, Simple Syrup & Watermelon

This traditional cocktail {Mint Julep} is very popular at the Kentucky Derby and is named in the Derby Museum as Churchill Downs' favorite drink. It first appeared in print in 1803, described as a "dram of spirituous liquor that has mint in it, taken by Virginians in the morning."

RUM FASHION
Bacardi 8, Simple Syrup, Bitters, Coconut Water $16

This traditional cocktail (Old Fashion) is supposed to be the oldest cocktail in the world.. The name "Old Fashion" comes from the type of glass the cocktail is served. The first use of the name "Old Fashioned" for a Bourbon whiskey cocktail was said to have been at the Pendennis Club, a gentlemen's club founded in 1881 in Louisville, Kentucky. The recipe was said to have been invented by a bartender at that club in honor of Colonel James E. Pepper, a prominent bourbon distiller.

THE SIDECAR $15

D'usse Cognac, Cointreau, Lemon Juice

This cocktail was named after the World War I motorcycle sidecars. It was a drink that was found at the nicest speakeasy's as it featured *real* Cognac.

The Highball $15

Woodford Reserve, Spicy Ginger Beer

Classic prohibition cocktails were simply whiskey and ginger based sodas. They were served tall with a lot of ice.

I NEED MY MEDICINE, MAKE IT A BOURBON!

Drug stores were allowed to sell "medicinal whiskey" to treat everything from toothaches to the flu. With a physician's prescription, "patients" could legally buy a pint of hard liquor every ten days. This pharmaceutical booze often came with seemingly laughable doctor's orders such as "Take three ounces every hour for stimulant until stimulated."

$15.00

French 75

Tanqueray Gin, Lemon Juice, Simple Syrup & Ruffino Prosecco

This cocktail was named after a World War I artillery piece, the 75mm French field gun. The drink became very popular toward the end of prohibition when it was featured in *The Savoy Cocktail Book* by Harry Craddock.

COCKTAILS, BEER, WINE & SPIRITS

THE REAL McCOY?

William "Bill" McCoy in 1921

Florida gained nationwide notoriety as a hotbed of smuggling during the tumultuous decade that became known as "The Roaring Twenties." The so-called Prohibition Amendment had told a thirsty nation, "Don't drink!" Millions of Americans chose to drink anyway, so the demand for booze had to be satisfied through illegal means that included bootlegging, smuggling, speakeasies, and the illegal production of alcoholic beverages ranging from moonshine whiskey to bathtub gin.

Most of the rum and other illegal booze of all kinds entered Florida through the Bahamas, where the sale of liquor remained legal. From Nassau, rum runners would transport their illegal goods to the infamous Rum Row, which was created by one of Prohibition's biggest celebrities, William "Bill" McCoy. McCoy, a Miami sailor, pioneered the rum-running trade by anchoring his boat just outside the U.S. territorial waters and established the beginnings of Rum Row. McCoy created an image for himself as a fair and honest dealer. His booze was never watered down or re-labeled. What customers saw was what they got, allegedly coining the famous phrase, "The Real McCoy".
